

Doodson Family tree c.1800 to present day

Toxteth Park, Liverpool and Shropshire

Liverpool branch

Family tree prepared by Mike Doodson
From census information, research by Geoffrey Doodson and additional information from Peter Doodson, Norman Doodson and Catherine Spratt

Note that male lines that do not continue could not be traced at time of research. It is possible that there were descendants either outside the UK or with different surnames (e.g. changed spelling)

Original version November 2007. Updated June 2011. Further revisions linking to 1911 census August 2011. Additional emigration details October 2011. Additional details about George and Nellie added April 2013

Key
Entries in Sans Serif type: traced to Census or Births, Marriages and Deaths records
Entries in Serif type: based on "family memory" or contemporary evidence
Entries in bold type - given (Christian) names
Entries in italic type - spouse surnames
A question mark does not indicate doubt about an event, it merely indicates date unknown
