

Doodson Family tree c.1786 to present day

Grappenhall, Barrow and Ardwick

Family tree prepared by Mike Doodson
From census information, additional pre-1841 information from FamilySearch.org, Births Marriages and Deaths records

Note that male lines that do not continue could not be traced at time of research. It is possible that there were descendants either outside the UK or with different surnames (e.g. changed spelling)

Original version November 2007. Revised July 2011. This version August 2011 with additional links to 1911 census. Oct 2011 - minor updates. Dec 2012 - info about Edward (b1922) and family
